From Risk Assessment to Audit Plan
Dec. 8-9, 2016
(Agenda Item 17)
Audit Plan Development Process

Audit Universe
- Consider prior Enterprise Risk Management analysis
- Compile internal and external factors
- Obtain Board and Management input

Risk Assessment
- Identify risk universe
- Apply risk factors
- Assess risk impact and likelihood
- Develop risk profile for operations
- Obtain Board and Management input

Audit Plan
- Compile list of high risk areas
- Identify high risk areas audited within last 5 years
- Identify external audits and other internal audit activities
- Allocate audit resources

Audit Plan Approval
- Management reviews draft Audit Plan
- Internal Audit Committee reviews and recommends proposed Audit Plan to Board
- Board reviews and approves Audit Plan
What are the potential range of audit activities?

• Programs, Activities, Functions, Initiatives

Sources of Information

• TMRS Board and Senior Management; financial, investment, and actuarial reports; internal and external audits; policies and procedures

Results

• 88 Audit Topics (risk units)
• 10 TMRS Functions/Departments
Risk Assessment

What are the risks?

What is the impact of a risk event occurring?
  • (1) Incidental, (2) Minor, (3) Moderate, (4) Major, (5) Extreme

What is the likelihood of a risk event occurring?
  • (1) Rare, (2) Unlikely, (3) Possible, (4) Likely, (5) Frequent

What is the overall risk score?
  • Possible scores range from 1 to 25
  • High, medium, and low

How is TMRS currently managing risks?
## FINANCE

Audit Plan Elements

Assumptions

- Two-year audit period (2017 to 2018)
- Staffing includes two internal staff and use of contract auditors

Contents

- Internal audits
- External audits
- Other internal audit activities

Oversight

- Board approval required for Audit Plan and substantive changes to approved plan thereafter
- Periodic updates to TMRS management, Internal Audit Committee, and Board on internal audit activities
Next Steps

Board reviews draft Audit Plan and provides feedback

Audit Plan will be presented at future Board meeting for potential action (requires Board approval for implementation)
