TMRS Governance Discussion – Addressing the Organization of Board Involvement in Legislative Matters

TMRS Board of Trustees Meeting

March 24-25, 2020
Historical Context and Today’s Discussion

• Committees’ operations have evolved.
• Before the Legislative Committee (LC) was created, legislative involvement historically correlated with the Board Chair’s preferences.
• The LC was created in May 2016, and a charter was first adopted in December 2016.
• Advisory Committee (AC) role altered in 2016 to be more Board-directed and analysis focused.

• Today’s Discussion
  • Clarify AC and LC roles/responsibilities.
  • Receive Board direction on preferred involvement in System legislative matters.
  • Discuss how to organize Board’s work based on consensus direction.

What is the Preference of the Board?

1. What is the desired involvement of the Board in legislative related issues for the System in the next 12 to 24 months? Consider the following:
   a. The anticipated Executive Director transition,
   b. The upcoming Legislative session,
   c. The prior level of involvement/activity of the Committees.
What is the Preference of the Board? (cont’d)

2. What principles are important relative to appointing Board members who serve on the AC? The LC? Consider:

- Sufficient exposure to the body of work necessary to be effective,
- Time commitment,
- Exposure and development for new trustees,
- Succession planning/continuity for the Board,
- Others?
3. How does the Board want to organize its involvement going forward?

a. Continue with AC and LC?

b. Dissolve LC and absorb its duties into the duties of the Board Chair and Vice Chair?

c. If continue with AC and LC
   i. With current members?
   ii. With altered members?

d. Some other method?
