

EXECUTIVE E-NEWS

This e-newsletter is designed for city officials and others who have attended the TMRS Executive Workshops, those who may wish to attend a future workshop, or anyone with an interest in TMRS. Please forward to anyone who might be interested.

First Three Executive Workshops Planned for 2018

—David Gavia, TMRS Executive Director

The Executive Workshops are a key training and networking event for city officials. This is the third year that TMRS has hosted these events. Workshops are free to participants, and breakfast and lunch will be served. Sign up online using Eventbrite (links below).

The first three 2018 workshops will be held at these dates and locations:

- Tuesday, July 10 – [Kingsville](#)
City Hall, 400 W. King Avenue
- Tuesday, July 24 – [Lakeway](#)
City Hall Auditorium, 1102 Lohmans Crossing Road
- Wednesday, August 16 – [Nacogdoches](#)
Nacogdoches County Expo and Civic Center, 3805 Stalling Drive

We will announce dates and locations for more workshops in other parts of the state soon.

Presented as half-day sessions, Executive Workshops allow TMRS staff to meet with city officials to provide them a snapshot of TMRS as a plan and explain how TMRS works with their cities. In addition, staff presentations provide detailed information about actuarial and investment matters.

We hope you will be able to attend one of the workshops planned for 2018. Thank you all for your support of TMRS, and we look forward to working with you in the future.

Agenda

- 9:30 Breakfast
