TMRS welcomes two new participating cities, bringing the total number of TMRS participating cities to 897.

The **City of Lone Oak** joined TMRS on July 1. The **City of Callisburg** joined TMRS on August 1.

We would also like to welcome newly-eligible Members from the **City of Harlingen** (bottom left) and **Harlingen Waterworks System** (bottom right) which renewed participation in TMRS for their eligible employees on September 1.

Learn More About Return to Work Changes

If you hire a TMRS retiree more than one year after they retired from your city and TMRS, they will no longer have their TMRS monthly benefit payment suspended. See our **Return to Work** webpage for more details.

Are Insurance Premiums Changing for Your Retirees?

It is the season for changes in insurance premiums. If your retired public safety officers have TMRS pay their insurance premiums out of their monthly benefit, remind them that they can adjust those premium payments online at **MyTMRS**. If they don't have an account, they can sign up at **tmrs.com**. For more assistance, they can call our Member Service Center at 800-924-8677.
