

# TMRS Direct™

## NEWS FOR RETIREES

April 11, 2016

You're reading a new online newsletter for TMRS retirees and annuitants. We'll use this e-newsletter as a way to keep you up-to-date on TMRS news you can use!

---

### Need to Change Withholding Instructions?

Starting this month, you are now able to change your withholding instructions using MyTMRS™ instead of sending in the hard copy W4-P form. To get there, log in to [MyTMRS](#), go to the Payment Summary tab, and select "Update federal income tax withholding," located under "Your Withholding Election." See the [How-Do-I page](#) for additional details.

---

### Current MyTMRS Features

As a MyTMRS user, you know you can log on any time to check your account. The new withholding feature (above) adds to the list of things you can do online with MyTMRS. The items in **bold** are the latest features:

- **Change your IRS withholding instructions**
- **Make address and other contact information changes**
- **View/print an annuity verification letter**
- View your account balance
- View beneficiary designations
- Review your tax information and download necessary documents (1099-Rs)
- View/print your Retirement Account Statement

We will continue to add new capabilities to MyTMRS so you can monitor and manage your account securely. We'll send you updates about future enhancements in this e-newsletter.

### Retirementwise Is Available Online

TMRS publishes two issues of *Retirementwise* and mails them to your address every year. The most recent issue of the print newsletter for retirees was mailed in late January. Did you know that you can also read [Retirementwise online](#)?

Later this year, we will ask you if you want to continue receiving mailed copies of *Retirementwise*, or if you prefer to simply receive an email notification when a new online issue is available. All MyTMRS users will receive an email when the email option is available, whether you opt out of receiving a mailed copy or not.

---

### Keep Your Email Address Up to Date

NOTE: Remember to review your email address on MyTMRS and update it if it changes. That way, TMRS can continue to keep in touch with you.

TMRS will never ask for your email address, password, or other personal information by unsolicited phone calls or email. Keep the email address and password associated with your MyTMRS account secure.
