- 2018 Direct Deposit Calendar
- Why TMRS Is Strong
- TMRS Website Upgrade
- Address Update Reminder
- MyTMRS – Convenience is Key
- When a Retiree can Change their Beneficiary
- 2017 Tax Reminders
- 85th Legislative Summary
- Retiree Luncheon in San Antonio
- Summary Annual Financial Report
- Safeguard Yourself from Fraud

## Informational Flyers Available Online

We have created two flyers of interest to retirees this year. Copies are available on the website at these links:

- [Cost of Living Adjustments for Retirees](#)
- [MyTMRS Flyer \(updated\)](#)

## Changing Withholding Instructions in MyTMRS

You are now able to change your withholding instructions using MyTMRS instead of sending in the hard copy W4P form. To make a change, log in to MyTMRS, go to the Payment Summary tab, and select "Update federal income tax withholding," located under "Your Withholding Election."

Back issues of TMRS newsletters are available [here](#).
