

[Your City Name] Can Provide You With Long-Term Financial Security

One of the great benefits of working for the City of [Your City Name] is that you can earn a monthly retirement income for life. As a [Your City Name] employee, you become a Member of the Texas Municipal Retirement System (TMRS). TMRS administers [Your City Name]'s pension plan, and here's what that means for you:

- If you are 35 and your starting salary is \$36,000/year (with 3% annual raises) and:
 - ▶ You work until 55, your lifetime monthly retirement benefit will be **\$1,860**.
 - ▶ You work until 60, that lifetime monthly retirement benefit will be **\$3,129**.
- If you are 45 and your starting salary \$60,000/year (with 3% annual raises) and:
 - ▶ You work until 60, your lifetime monthly retirement benefit will be **\$2,030**.
 - ▶ You work until 65, that lifetime monthly retirement benefit will be **\$3,708**.

You also can elect to leave a portion of your benefit to a beneficiary, like your spouse or children.

And this lifetime retirement benefit is **in addition to** Social Security benefits and [Your City Name]'s [IRS Section 457 deferred compensation retirement plan].

How many other employers can offer you this long-term financial security?
