

Texas Municipal Retirement System
 Social Security Participation by Member Municipalities
 (Updated August 29, 2012)
 (Results are Unaudited)

TMRS Municipalities			
Social Security Status	*Number		Percent
Participating	727		86%
Partial Participation	20		2%
Not Participating	101		12%
Total	848		100%

*Of the 102,810 municipal employees who were members in TMRS at the time the survey was performed, TMRS estimates that 83,793 did contribute to Social Security and that 19,017 did not contribute to Social Security.

Data Sources:

- 1) Employees Retirement System, State Social Security Administrator, 10/19/2011.
- 2) Participation survey of member municipalities conducted on 10/6/2011. Followup communication with respondents / nonrespondents for verification of participation in Social Security performed through 8/29/2012.

Methodology:

- 1) Survey Size: 847; Survey Responses: 434
- 2) Additional Verification: 413 non-respondents contacted via phone or email. One TMRS City verified Social Security status upon joining TMRS in 2012. 100% response achieved.
- 3) Results are not audited.
