## **Texas Municipal Retirement System to Move Headquarters**

At its meeting today, the TMRS Board of Trustees announced that TMRS will move its headquarters from its current location at 1200 N. Interstate 35 Frontage Road in Austin to Office Building 2 at The Grove, 2717 Perseverance Drive, in Austin. The move is anticipated to occur in October 2021.

TMRS Board Chair David Landis commented, “Consistent with our fiduciary duties, TMRS analyzed our space needs and identified three key objectives for our new space: keeping costs low; convenience of employees, Members and visitors; and future anticipated space needs. Then we compared these objectives with available alternatives in the Austin area.” Landis added, “Building 2 at The Grove met all three objectives and provides a convenient, cost-effective and attractive location for TMRS’ employees, Members and visitors. And, above all, it will help us fulfill our mission to provide superior service to our Members and participating cities.”

### **About TMRS**

Established in 1948, TMRS is a public retirement system covering 218,000 employees of 895 participating cities in Texas. TMRS manages \$33.7 billion in trust for its Members. For more information, visit [tmrs.com](http://tmrs.com).
