

TMRS Is Your Retirement Plan

FOR MEMBERS

You become a TMRS Member as soon as you begin working in a position with a TMRS city that normally requires 1,000 hours per year. As a TMRS Member, you can qualify to receive a monthly retirement benefit for life and possibly the life of any beneficiary.

Your contributions to TMRS. You contribute a percentage (5%, 6%, 7%, or 8%) of your paycheck to TMRS. The percentage is selected by your city; you cannot change that percentage.

Annual 5% guaranteed interest. Your contributions are deposited into your individual TMRS account and earn a guaranteed 5% interest annually.

City contributions. Your city matches your account balance when you retire at your city's matching contribution rate (1:1, 1.5:1, 2:1).

Service credit. You earn a month of service credit for each month that you work for a TMRS participating city. Once you have received enough service credit, you become eligible to receive a TMRS lifetime monthly benefit at retirement.

Eligibility for a lifetime retirement benefit. To be eligible to receive a TMRS monthly benefit for life, you must:

- Be at least 60 years old and have at least five years of service credit (some cities may require 10 years of service credit)

OR

- Have at least 20 years of service credit, regardless of your age (some cities may require 25 years of service credit)
