

Celebrating 75 Years

Main Street

2023 Second Quarter Edition

2022 Member Account Statements are Available

2022 Member Account Statements were mailed in March and can be viewed on [MyTMRS](#).

In an effort to reduce the amount of paper TMRS generates and that fills Members' mailboxes, next year's 2023 Member Account Statement will be delivered electronically to [MyTMRS](#) unless Members opt-in to receive the Statement by mail.

If employees have any questions about their 2022 Statement, they can call the TMRS Member Service Center at 800-924-8677 for assistance.

TMRS Makes Final HELPS Payments March 31

Beginning April 1, TMRS will no longer deduct health insurance premiums from eligible public safety retirees' benefit payments. TMRS has communicated multiple times with cities and all the affected retired public safety officers about this change.

To learn more about HELPS premium payments, click [here](#). Questions about HELPS premium payments, can be answered by TMRS Member Service Center representative at 800-924-8677.

TMRS Webinars for Members and City Staff

TMRS' Education Team is hosting Member and city staff monthly webinars on TMRS benefits, the retirement process, and TMRS plan basics.

To attend a webinar, view the schedule and register below.

Run a TMRS Beneficiary Designation Report

It is important that your employees designate a beneficiary(ies) for their TMRS benefits. Now, cities can run a report, "Members Without A Beneficiary," in the [City Portal](#) that identifies employees without a valid TMRS beneficiary designation on file.

Once an employee vests with TMRS, all prior beneficiary designations are no longer valid, and they must redesignate their beneficiary(ies).

Employees can designate beneficiaries online 24/7 using [MyTMRS](#). If they don't have a MyTMRS account, they can create one at [tmrs.com](#). Employees can also complete a [TMRS Beneficiary Designation Before Retirement](#) form, which the city can upload through the City Portal.

TMRS Celebrates 75 Years in 2023!

On February 28, Texas state Representative Rafael Anchia (front row right), former chair of the House Pensions, Investments and Financial Services Committee, introduced House Concurrent Resolution No. 66 that recognized TMRS' 75th anniversary. The Resolution passed unanimously. Members of TMRS' Senior Staff were in attendance and acknowledged for their hard work on behalf of TMRS Members.

You can read the full resolution [here](#) and watch the video using the button below.
