

Social Security's Windfall Elimination Provision

FOR MEMBERS

If your TMRS city does not participate in social security, but you worked in a job that did, your social security benefit may be affected because of the IRS' "Windfall Elimination Provision."

Here is what you need to know:

- The Windfall Elimination Provision does not impact or reduce your TMRS retirement benefit.
- The Social Security Administration may reduce your social security benefit because you will receive a TMRS retirement benefit.

For more information about the Windfall Elimination Provision, visit the Social Security Administration's [website](#).
